THIRD CLASS DISTRICTS

A third class district is one with a population of less than one thousand and is controlled by a board of three members. A third class district employing more than one teacher may employ either a superintendent or principal or both. The one room rural schools of which there are slightly over eight hundred with an enrollment of approximately 8,750 are not included here.

The five-year state certificate. Issued to teachers who have held a two-year certificate and taught at least one year successfully.

6. Five year certificates based on the diploma in education are renewable with 36 q. h. or the completion of the bachelors degree; those based on the bachelors degree are renewable with 8 q. h.

7. Old state certificates (six-year) issued before July 1949, are renewable with 8 q. h. The present state certificate with a validity period of five years replaces this certificate.

8. Certificates must be filed with the county superintendent of schools within ten days after the beginning of the school year before salary can be legally paid.

9. Out-of-state applicants should write to the State Department of Public Instruction at Helena in regard to certification status before signing contracts to teach in Montana, if there is doubt as to qualifications.
